Certified Passive House Designer

Pacific Winter 2027 Cohort | Kick-Off Jan 14th

For Students in Mountain and Pacific Time Zones 35 AIA LU/HSW Credits

The CPHD course is the premier core Passive House professional training for architects, engineers, consultants, developers, policymakers and more. The course is supported by the 30 year history of global technical leadership of the Passive House Institute.

Become a Passive House designer or consultant by learning everything from how to define the thermal envelope to how to overcome frequent planning and construction challenges. This course will take you into the details of Passive House buildings to ensure that the building will perform as planned! **Register today.**

Cost: $1,950 - Incentives may be applicable.

Cohort Details

- The hybrid cohort schedule is approximately 8 weeks from kick-off to completion, followed by 4 to 5 weeks of exam prep.
- Includes registration for the international CPHD/C exam & exam preparations, including practice exams in a test-like platform environment.
- Upon passing the CPHD/C exam, participants receive certification as either a PH Designer or PH Consultant.
- Included in Training:
  - 35 AIA LU/HSW credits & and certificate of completion (tied to finishing the on-demand modules and quizzes, not the exam.)
  - On-demand digital course materials.
  - 2 live online instructor-led webinars.
  - 1 Q&A session with a Passive House practitioner.
  - Supplemental exam preparation material.
  - Passive House Planning Package (PHPP) energy modeling software (individual license), a digital manual.
  - Complimentary PHN & iPHA Membership for 1 year.
  - Printed textbook available at no extra cost.

Structured to Meet Your Preferences

Depending on your learning preferences, students can adhere to the course schedule recommended with Q&A and Review sessions or complete it more independently, focusing strictly on the on-demand content. No matter your learning style, upon registration, you'll have a target exam date to work towards with a Tech Setup session approximately 1 week prior. See the course and exam schedule on the reverse side.

Financial Incentives are Available:

$500 and 50 to 100% incentives are available to support the CPHD training in some areas, as well as the PHN Fellowship in support of Black professionals. Discounts are also available to Veterans, Educators, Non-Profit Staff, and Public Employees. **Find out more.**
