

# Pacific Cohort Schedule

Spring 2024 - On-Demand / Live Online CPHD/C Training

April 18th start

Depending on your learning preferences, **you can tackle this course in three ways:**

1. Focus on the on-demand content and view recordings of live-online content. **(Most flexible)**
2. Stick to the cohort schedule of live online-sessions. **(Best for clear pacing and making connections and community)**
3. Do a mix! Start before or after the cohort registration deadline, focus on the on-demand format at your pace, and also attend the live-online sessions as makes sense for you. **(Most popular)**
