# Pacific Cohort Schedule

**Fall 2024 - On-Demand / Live Online CPHD/C Training**

**October 10th start**

Depending on your learning preferences, you can tackle this course in three ways:

1. Focus on the on-demand content and view recordings of live-online content. *(Most flexible)*
2. Stick to the cohort schedule of live online-sessions. *(Best for clear pacing and making connections and community)*
3. Do a mix! Start before or after the cohort registration deadline, focus on the on-demand format at your pace, and also attend the live-online sessions as makes sense for you. *(Most popular)*
