## **Pacific Cohort Schedule**

## Winter 2025 - On-Demand / Live Online CPHD/C Training

## January 16th start

Depending on your learning preferences, you can tackle this course in three ways:

- 1. Focus on the on-demand content and view recordings of live online content. (Most flexible)
- 2. Stick to the cohort schedule of live online sessions. (Best for clear pacing and making connections and community)
- 3. Do a mix! Start before or after the cohort registration deadline, focus on the on-demand format at your pace, and attend the live online sessions as makes sense for you. (Most popular)
