

# Pacific Cohort Schedule

Spring 2026 - On-Demand / Live Online CPHD/C Training

**April 9th start**

Depending on your learning preferences, **you can tackle this course in three ways:**

1. Focus on the on-demand content and view recordings of live online content. (**Most flexible**)
2. Stick to the cohort schedule of live online sessions. (**Best for clear pacing and making connections and community**)
3. Do a mix! Start before or after the cohort registration deadline, focus on the on-demand format at your pace, and attend the live online sessions as makes sense for you. (**Most popular**)
